NEW BUSINESS

1. Purchasing trucks for Street Department – following a detailed discussion regarding how to proceed with the purchase of one truck for the Street Department, the Mayor asked if it would be better to purchase a truck for the Fire Department, Tray Hawkins’ response: I would just rather y’all buy the street department a truck because you are showing a legitimate reason, you are taking two employees out of one truck and putting them in separate trucks, so you’re social distancing, you are following all the federal guidelines and standards, we just need something from the City saying that this is our plan, the Council President then requested a motion which was made by Joey Brock to enter into an interlocal agreement with the County so that they could go forward in helping us purchase one truck, with a second from Laura Brewer, motion passes with all in favor.

NOTE: THE PURPOSE OF THIS MEETING IS TO DISCUSS THE LISTED ITEMS ONLY.

ADJOURNMENT with no further business to discuss, Gwendolyn March made a motion to adjourn which received a second from Joey Brock; the meeting was adjourned at 5:59 PM.
